- precise portion control
- seasoning and spices possible

FORMATS

- flakes & chunks
- from 3 mm to 25 mm
in individual calibrations

USE

PIZZA

SANDWICH

SALADS &
BOWLS

READY
MEALS

Our tuna flakes & chunks are ideal as toppings for pizzas and on salads. Made from tuna preserves in oil or in brine we will match your specifications for raw material, seasoning and size.

IQF freezing allows perfect dosability. No opening of cans or pouches, nor draining is necessary.
